Pygmalion in the Classroom by George Bernard Shaw 1909

In the spring of 1909, George Bernard Shaw wrote asked in a letter to Robert Spiller: “You can, if you can, help me to find the story of Pygmalion in the classroom.” The story of Pygmalion was first published in 1912 as a play, and the novel version was published in 1913. The story is about a teacher who transforms a slum girl into a lady and helps her succeed in society.

Pygmalion in the Classroom is a sequel to Shaw's play Pygmalion, which was first performed in 1914. The novel is set in the same environment and follows the same characters. The story is about a teacher who transforms a slum girl into a lady and helps her succeed in society.
