**The Silent Sister** - Diane Chamberlain 2014-10-07 In The Silent Sister, Riley MacPherson has spent her entire life believing that her older sister Lisa...
committed suicide as a teenager. Now, over twenty years later, her father has passed away and she's in New Bern, North Carolina cleaning out his house when she finds evidence to the contrary. Lisa is alive. Alive and living under a new identity. But why exactly was she on the run all those years ago, and what secrets are being kept now? As Riley works to uncover the truth, her discoveries will put into question everything she thought she knew about her family. Riley must decide what the past means for her present, and what she will do with her newfound reality, in this engrossing New York Times bestselling mystery from Diane Chamberlain.

Prologue to an Aristotelian End of History - Ultimate Philosopher
2015-08-19 Wikipedia states, "The end of history is a political and philosophical concept that supposes that a particular political, economic, or social system may develop that would constitute the end-point of humanity's sociocultural evolution and the final form of human government." Prologue to an Aristotelian End of History sketches the essential intellectual and ethical requirements for achieving this goal humanity-wide. The Aristotelian philosophical tradition provides by far the strongest grounding for these intellectual and ethical requirements. Chapter 1 outlines the very concept of the end of history with reference to its key originators in the philosophical tradition, Hegel and Marx. Chapter 2 - the core of the presentation - looks at the chief virtues of the Aristotelian way of thinking, from its emphasis on cognitive excellence or perfection to its ethic of virtues in service of self-actualization or eudaimonia. Chapter 3 identifies the role of the famous neo-Aristotelian novelist-philosopher Ayn Rand in the end-of-history project. Chapters 4 and 5 ground political principles of individual rights and classical liberal or libertarian capitalism as required socioeconomic principles for human flourishing. Chapter 6 addresses the possibility of a utopia grounded in Aristotelian ideals and pursues the question, "What would Aristotle do?" Chapter 7 lists some key cultural artifacts (books, films, music) that could be of much value as humanity approaches its full potential. The finale, Chapter 8, asks a few pointed questions about love, God, and the meaning of life. Aristotle’s influence on the western mind and culture is virtually unmatched, yet the fullest possibilities of the Aristotelian ethos have only begun to be realized. Humanity is poised to take its next step toward an age of unprecedented enlightenment and flourishing. Let’s implement the Aristotelian program.

Prologue to History - John Van Seters 1992-01-01 In this fascinating study, John Van Seters makes a compelling case for a new reading of Genesis. According to Van Seters, the book of Genesis represents the prologue to a major literary work, conceived and constructed by a single writer--an intellectual and historian. Van Seters argues that the author was a true historian who wrote history in the tradition of the ancient antiquarian.

There There - Tommy Orange 2018-06-05 “Powerful. . . . a revelation.” —The New York Times “With a literary authority rare in a debut novel, it places Native American voices front and center before readers’ eyes.” —NPR/Fresh Air One of The New York Times 10 Best Books of the Year and winner of the PEN/Hemingway Award, Tommy Orange’s wondrous and shattering bestselling novel follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle’s death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, There There is at once poignant and unflinching, utterly contemporary and truly unforgettable. One of the Best Books of the Year: The Washington Post, NPR, Time, O, The Oprah Magazine, The Dallas Morning News, GQ, Entertainment Weekly, BuzzFeed, San Francisco Chronicle, The Boston Globe

Prologue to Murder - Lauren Elliott 2019-05-01 After a career working with rare books at the Boston Public Library, Addie Greyborne is back in her seaside New England hometown—where unfortunately, murder is not so rare . . . Gossip columnists love a bold-faced name—but “Miss Newsy” at Greyborne Harbor’s local paper seems to specialize in bald-faced lies. She’s
pointed a finger of suspicion at Addie after librarian June Winslow never makes it home from a book club meeting. And when June’s found at the bottom of a steep flight of stairs, Addie’s not only dealing with a busybody, but a dead body. It’s a good thing the guy she’s dating is the police chief. But both the case and her love life get more complicated when a lanky blonde reporter from Los Angeles shows up. She’s trying her hardest to drive a wedge between the couple . . . as if Addie doesn’t have enough problems dealing with angry townspeople. Despite all the rumors, Addie doesn’t know a thing about the murder—but she plans to find out. And the key may lie in a book about pirate legends that June published. Now she just has to hunt down the clues before she becomes a buried treasure herself . . .

The Wife of Bath’s Prologue and Tale-Geoffrey Chaucer 2016-08-25 The classic respected series in a stunning new design. The Canterbury Tales-Geoffrey Chaucer

101 Questions & Answers on Popes and the Papacy-Christopher M. Bellitto 2008 This book tackles almost every question posed in April 2005 during the dying and death of Pope John Paul II and the election of Benedict XVI.

Prologue to an Analogue-Leigh Richmond 2014-06-13 Finnagle’s Law shows that many times we don’t get the effect we planned on. But ... there’s an inverse to that famous law, too....

From Continuity to Contiguity-Dan Miron 2010-07-19 Dan Miron—widely recognized as one of the world’s leading experts on modern Jewish literatures—begins this study by surveying and critiquing previous attempts to define a common denominator unifying the various modern Jewish literatures. He argues that these prior efforts have all been trapped by the need to see these literatures as a continuum. Miron seeks to break through this impasse by acknowledging discontinuity as the staple characteristic of modern Jewish writing. These literatures instead form a complex of independent, yet touching, components related through contiguity. From Continuity to Contiguity offers original insights into modern Hebrew, Yiddish, and other Jewish literatures, including a new interpretation of Franz Kafka’s place within them and discussions of Sholem Aleichem, Sh. Y. Abramovitsh, Akhad ha’am, M. Y. Berditchevsky, Kh. N. Bialik, and Y. L. Peretz.

Translation of Chaucer's Prologue with Running Commentary-James Albert Walker 1950

New Conservative Explications-Kenneth B. Newell 2011-01-18 Because of the triumph of postmodern studies, explication of classic poems by great dead white male English poets of preceding centuries has greatly declined in the last several decades, even though many of the poems may still be puzzling to interested readers, young and old. This book is addressed to both audiences in the hope that new explications of twelve classic poems (or sections of these poems) by Blake, Wordsworth, Coleridge, Keats, Shelley, Tennyson, Browning, Arnold, Hardy, Yeats, and Auden may help sustain interest in the poems. Although the explication procedure is now unpopular in theory and held to be as subjective as interpretation, the procedure is based on the experience that, if a puzzling poem is reasoned with, it can often be found to make sense on a basic level of understanding—a sense perhaps complex, ambiguous, or ambivalent but not self-contradictory. In essence, then, this is a book of poetry explications having esthetic aims but written in an era of unesthetic political and cultural studies. The term conservative in the title refers to explicatory rather than political conservatism as well as to literary and critical conservatism—i.e., to conserving the practice of explication whether upon literary works old or new, and so also conserving esthetic interest in the old works themselves. The book also attempts to show that new conservative explications are still
possible and can be still useful—even in the postmodern era and even on classic poems already much explicated—and that therefore explication still has much to do in the work of literary studies in the postmodern era.

This Norton Critical Edition includes:* The medieval masterpiece's most popular tales, including--new to the Third Edition--The Man of Law's Prologue and Tale and The Second Nun's Prologue and Tale.* Extensive marginal glosses, explanatory footnotes, a preface, and a guide to Chaucer's language by V. A. Kolve and Glending Olson.* Sources and analogues arranged by tale.* Twelve critical essays, seven of them new to the Third Edition.* A Chronology, a Short Glossary, and a Selected Bibliography.
About the Series
Read by more than 12 million students over fifty-five years, Norton Critical Editions set the standard for apparatus that is right for undergraduate readers. The three-part format--annotated text, contexts, and criticism--helps students to better understand, analyze, and appreciate the literature, while opening a wide range of teaching possibilities for instructors. Whether in print or in digital format, Norton Critical Editions provide all the resources students need.

Past Prologue-L. A. Graf 2002
When Captain Kirk is accidentally transported back to the time of the massacre on Tarsus IV, which Kirk had barely survived as a boy, it is up to Spock and fellow Tarsus IV survivor Lt. Kevin Riley to bring Kirk back.

A Prologue to Studies in the Fourth Gospel-Riku P. Tuppurainen 2021-05-25
The Fourth Gospel both blesses and betrays. It blesses readers who engage with its message, but it may betray those who read it nonchalantly. The notion that the Fourth Gospel is easy to understand is an enduring myth. This volume takes readers on a heuristic journey to discover the Fourth Gospel's unique theological aspects, problematic historical matters, inimitable literary features, and various interpretive approaches using an accessible format and easy-to-read language. The purpose of this publication is to enable readers to appreciate the Fourth Gospel's wide horizon, so necessary to understand its narratives in their historical and narrative contexts. Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel, similarly, this volume introduces and gives perspective to studies in the Fourth Gospel. The text is divided into three parts, which examine its independent theology and argumentation, various outstanding issues, and its interpretation respectively. This volume is suitable for a wide readership, from Bible study groups to pastors and from undergraduate to graduate students.

Prologue to Revolution-Edmund S. Morgan 2012-12-01
This comprehensive documentary source book on the Stamp Act provides a case-study approach to American colonial history and serves as a problems source book on the key event in Anglo-American relations in the 1760s. Morgan has assembled sixty-five crucial documents on all phases of the crisis; on certain acute issues of the controversy nearly all of the relevant materials now extant are included.

The tale of Beryn, with a prologue of the merry adventure of the pardoner with a tapster at Canterbury, re-ed. from the duke of Northumberland's MSS. by F.J. Furnivall & W.G. Stone, with Engl. abstract of Fr. original and Asiatic versions by W.A. Clouston-Berinus 1887

The Past as Prologue-Williamson Murray 2006-05-08
In today's military of rapid technological and strategic change, obtaining a complete understanding of the present, let alone the past, is a formidable challenge. Yet the very high rate of change today makes study of the past more important than ever before. The Past as Prologue, first published in 2006, explores the usefulness of the study of history for contemporary military strategists. It illustrates the great importance of military history while simultaneously revealing the challenges of applying the past to the present. Essays from authors of diverse backgrounds - British and American, civilian
and military - come together to present an overwhelming argument for the necessity of the study of the past by today's military leaders in spite of these challenges. The essays of Part I examine the relationship between history and the military profession. Those in Part II explore specific historical cases that show the repetitiveness of certain military problems.

**Prologue to Teaching**-Marjorie B. Smiley 1959

**Chaucer's Canterbury Tales**- 2020-03-07

**Pause with questions and scout for answers**-Udayakumar Gopalakrishnan 2018-10-16 The art of asking open-ended questions, has always found a place in the world that has evolved thus far, notwithstanding the complexities, frailties and diversities of what human species, have confronted. From time immemorial, all forms of transformations and progress can be traced to a variety of educational inputs, cultural practices, economic impetus, political pressures and societal changes. Brainstorming, thinking out of the box, perspective generation and innovative pursuits invariably emanate out of deep reflections, prompted by stimulating questions, that goads travel beyond the current standards of excellence. Given the context of human evolution, corporate world bears no exception. Pioneering alternatives and new found strategies to combat rapidly changing business scenarios are handled better, when managers and leaders are skillful in asking open-ended questions, to themselves and those whom they lead. This process unleashes abundant responses, ideas and answers, which reside within individuals and teams and also enables commitments and resolutions to be owned and anchored by individuals and teams. Pause with Questions and Scout for Answers provides a rich compendium of open-ended questions, which can be utilized and tweaked by corporate professionals, entrepreneurs and success seeking individuals, in diverse contexts. The mission of this book is to morph CEOs, Managers, Leaders, Trainers, Facilitators, OD Consultants, Interviewers, Parents and all those whom they seek to positively influence.

**The Pardoner's Tale**-Geoffrey Chaucer 1835

**Kingdom Prologue**-Meredith G. Kline 2006-02-01 As intimated by the subtitle, 'Genesis Foundations for a Covenantal Worldview', the immediate literary focus of this study is the book of Genesis and its account of the formative ages in the eschatological movement of the kingdom of God from creation to consummation. As also indicated by the subtitle, our biblical-theological commentary on Genesis is designed to uncover the foundations of God's covenantally administered kingdom with its major historical developments and its institutional structures and functions. In this way 'Kingdom Prologue' seeks to provide an introductory sketch of the overall shape of the biblical worldview and the character of biblical religion.

**Prologue to Sociology**-Robert Boguslaw 1977

**A History of the Ten Commandments**-Clarence William Sickles 2015-11-09 A History of the Ten Commandments with a Modern Moral Code traces the way the Ten Commandments God gave to Moses on Mt. Sinai in the 13th century BC changed through the ages, analyzing the seventeen versions of the Decalogue which now exist. The author also presents a moral code which is related to the Mosaic Decalogue but is not religious and should, therefore, be acceptable for public display in the secular world. The book features photographs of plaques depicting the Ten Commandments, with interesting eleven commandment variations, on display throughout the country. Written for a broad audience ranging from Sunday school teachers and scholars to the average reader, this book is essential reading for those seeking to discover information about the greatest document in human history and wanting to learn about a new moral standard desperately needed in the ethically corrupt world of the present day.

**What's Past is Prologue**-Katina Strauch 2018-11-15 Over one hundred presentations from the 37th annual Charleston Library Conference (held
Prologue to a Farce—Mark Lloyd 2010-10-01 Inspired by Madison’s observation, Mark Lloyd has crafted a complex and powerful assessment of the relationship between communications and democracy in the United States. In Prologue to a Farce, he argues that citizens’ political capabilities depend on broad public access to media technologies, but that the U.S. communications environment has become unfairly dominated by corporate interests. Drawing on a wealth of historical sources, Lloyd demonstrates that despite the persistent hope that a new technology (from the telegraph to the Internet) will rise to serve the needs of the republic, none have solved the fundamental problems created by corporate domination. After examining failed alternatives to the strong publicly-owned communications model, such as anti-trust regulation, the public trustee rules of the Federal Communications Commission, and the under-funded public broadcasting service, Lloyd argues that we must recreate a modern version of the Founder’s communications environment, and offers concrete strategies aimed at empowering citizens.

Prologue to Violence—Abby Stein 2013-09-05 Despite mounting references to the “transgenerational transmission of violence,” we still lack a compelling understanding of the linkage between the interpersonal violence of early life and the criminal violence of adulthood. In Prologue to Violence, Abby Stein draws on the gripping narratives of 65 incarcerated subjects and extensive material from law enforcement files to remedy this lacuna in both the forensic and psychodynamic literature. In the process, she calls into question prevailing beliefs about criminal character and motivation. For Stein the early trauma to which adult criminals are subjected remains unformulated and, as such, unavailable for reflection. Contrary to common belief, these criminals, especially sex murderers, do not commit their crimes in a rational or fully conscious way. They are not driven by deviant fantasy, their psychopathy is not inborn, and they rarely commit acts of violence "without conscience." Stein’s interdisciplinary analysis of her data infuses contemporary relational psychoanalysis with the insights of neuroscience, traumatology, criminology, and cognitive and narrative psychology. A powerful challenge to offender treatment programs to address the shaping impact of childhood trauma rather than merely to "correct" the cognitions of violent offenders, Prologue to Violence will be equally compelling to researchers and academics investigating child abuse and adult violence. Its mental health readership will be broad and deep, ranging beyond clinicians who work with offender populations to all therapists who wrestle with experiences of dissociation and aggressive enactment in everyday life.

Recognizing Persius—Kenneth J. Reckford 2009-07-06 Recognizing Persius is a passionate and in-depth exploration of the libellus—or little book—of six Latin satires left by the Roman satirical writer Persius when he died in AD 62 at the age of twenty-seven. In this comprehensive and reflectively personal book, Kenneth Reckford fleshes out the primary importance of this mysterious and idiosyncratic writer. Reckford emphasizes the dramatic power and excitement of Persius’s satires—works that normally would have been recited before a reclining, feasting audience. In highlighting the satires’ remarkable honesty, Reckford shows how Persius converted Roman satire into a vehicle of self-exploration and self-challenge that remains relevant to readers today. The book explores the foundations of Roman satire as a performance genre: from the dinner-party recitals of Lucilius, the founder of the genre, through Horace, to Persius’s more intense and inward dramatic monologues. Reckford argues that despite satire’s significant public function, Persius wrote his pieces first and mainly for himself. Reckford also provides the context for Persius’s life and work: his social responsibilities as a landowner; the interplay between his life, his Stoic
philosophy, and his art; and finally, his incomplete struggle to become an honest and decent human being. Bringing the modern reader to a closer and more nuanced acquaintance with Persius's work, Recognizing Persius reinstates him to the ranks of the first-rate satirists, alongside Horace and Juvenal.
